Newsletter No. 10

PRINCIPAL'S MESSAGE

Dear St Kevin's families,

Term 2 has been a productive term of NAPLAN testing, celebrating Mother's Day, Kindergarten 2019 enrolment interviews, Parent Teacher interviews, student reporting and gala days!

We have also completed valued sessions of 'Relax Kids' and dedicated every second Friday afternoon towards the social and emotional well-being of our students.

I take this opportunity to thank all of our parent volunteers who work so hard for the good of our community. We appreciate your ongoing support.

Finally, I wish everyone a happy holiday. Our teachers are looking forward to a well-earned rest, returning fresh and ready for another term of learning.

Enjoy the break!

Fiona Ngamu

Acting Principal

Relax Kids!

I thank you all for the privilege over the past 2 terms to teach your children and give them some tools that they will be able to use throughout their lives. I have thoroughly enjoyed running my Relax Kids classes in the school and getting to know each and every one of your children!

Relax Kids is my passion and it has been a wonderful joy sharing that with the staff and students at St Kevin's school. I thank Lorraine Vincent for this wonderful opportunity.

If you are interested in your child continuing with classes beyond this term, please feel free to contact me for details about my small group after school classes, one on one sessions and family sessions. My email address is Relaxkidssydney@gmail.com and my contact number is 0413 786 588. Warm regards, Elizabeth Byrne

Dad's Duathlon!

In honour of the impending Father's Day, I'd like to invite all fathers, grandfathers, carers and significant others to the inaugural **St Kevin's Dads Duathlon!**

It's a combination of running, cycling and a bit more running, out in the iconic Sydney Park area on **Saturday 25th August**.

You don't have to be super fit, just up for a challenge and a bit of fun, and it's a good way of working up a thirst for a few refreshments afterwards!

In the build-up we'll be doing some practice runs and cycles to get us in the mood and into shape; so if you have a bike, a pair of running shoes and a hardy soul, then please come and join us for a Dad's day to remember!

All those interested please contact Adam Page on 0432 802 366 by 20th July to register for the event.

Library News

Year 2 have been listening and reading a variety of Fairy Tales this term and part of their learning required them to use their designing skills in pairs or by themselves. You may have heard about **STEM** which are activities designed for children to use science, technology, engineering and mathematical concepts to develop a solution to a problem. At school we also like to include the Artistic and creative side of design.

Year 2 have developed their design skills using several **STEM** activities for Rapunzel and Goldilocks and the 3 Bears. The children had to design a safe escape route for Rapunzel from the tower. Many chose a slide for a safe escape. They had to measure the height of the escape route and evaluate its safety aspects. Would Rapunzel require safety equipment such as a helmet, arm and knee pads? Several children had to re-evaluate their design as it wasn't that safe.

In the second activity, the children had to create a bed for Goldilocks to sleep in. Goldilocks was weighted down with washers and once again measurements were checked and recorded. Once this was deemed safe for Goldilocks, the bed was also tested to see if it would hold the members of the Bear Family. Each one was heavier or lighter than Goldilocks. All students got to test their creations and I can happily report that their new bed was "Just right" for Goldilocks.

Our winter Vacation program is available and spots are filling up fast. Please ensure you book in via my family lounge app. Visit www.ooshnb.com.au to see the program!

The children seem to be enjoying our new Winter menu! With more hearty, warmer afternoon teas and breakfasts, we hope that it pleases everyone over the colder months. If you have any suggestions for nutritious afternoon teas, that your child loves, please speak to Lachlan or one of the staff so we can add it to our menu.

As we have had continued interest in homework being done at after school care, we are happy for you to come and discuss if you would like your children to do their homework here. We have our homework area set up with plenty of supplies ready!

As always, we will be asking all of the children what they would like at OOSH this term so that we may plan our programs and experiences around their interests and requests, as well as drawing on inspiration from the world around us and our communities. We hope to have a great second term, built around the things your children love to do.

FOR 2019 & 2020

NEXT SCHOOL TOURS:

Why St Paul's? Why all boys?

In 2017, St Paul's ranked 150th in the state for Band 6 achievement, entering the top 200 for the first time, and also ranked 41st out of 130 Catholic schools in the state.

However, there is far more to a boy's education than just academics.

- We teach in ways that boys learn best
- We help boys discover and explore their potential
- We foster brotherhood and lifelong friendships

"As parents we want the best option for our son, not second best. We know that St Paul's has the highest success rate for boys in schools we are compared with."
